## CAREER OBJECTIVE

---

A motivated Bachelor of Computer Applications (BCA) student with strong interest in web development, database systems, and software engineering. Seeking opportunities to apply technical knowledge, enhance problem-solving skills, and grow as an IT professional while contributing to innovative and impactful projects.

## EDUCATION

---

- **Bachelor of Computer Applications (BCA)**  
Vedas College (Affiliated to TU), Lalitpur 2022 – Running
- **+2 Management**  
Shree Nepal Rastriya Secondary School 2020 – 2022  
CGPA: 3.06

## PERSONAL PROJECTS

---

- **Portfolio Website**  
Designed and developed a personal portfolio website using HTML, CSS, and JavaScript. Features include a custom resume section, project showcase, and skill highlights.
- **Inventory Management System**  
Developed a database-driven web application using PHP and MySQL. Implemented authentication, product management, and stock tracking features. Technologies used: HTML, CSS, JavaScript, AJAX.
- **T-Shirt Shopping System (E-commerce)**  
Built a web-based shopping system allowing customers to browse products, add items to cart, and filter options. Technologies used: HTML, CSS, JavaScript, AJAX.
- **Student Performance Evolution System**  
Built a web-based system allowing teachers to add students information, add results to website, and admin panel to track data. Technologies used: HTML, CSS, JavaScript, AJAX.

## TECHNICAL SKILLS

---

- **Programming Languages:** C, C++, Java, JavaScript
- **Web Technologies:** HTML, CSS, JavaScript
- **Web Tools:** Node.js, VS Code, Git, GitHub
- **Databases:** MySQL, MongoDB, Firebase

- **Relevant Coursework:** Data Structures & Algorithms, Operating Systems, OOP, DBMS, Software Engineering

## EXPERIENCE

---

- **IT Assistant – Hulas Steel** *May 2023 – July 2023*  
Assisted in setup and maintenance of company servers. Monitored and resolved IT support tickets while ensuring system reliability and user satisfaction.
- **Freelance Data Entry – UPschool (Online Platform)** *Two months*  
Worked as a freelance data entry operator, accurately entering, organizing, and maintaining digital records on the UPschool platform. Ensured data accuracy, consistency, and timely completion of assigned tasks while working independently in a remote environment.
- **Secondary Teacher – Diplomatic Open School** *Jan 2024 – Present*  
Teaching subjects including Account, Math, and Science. Developed communication skills, confidence, and classroom management abilities.
- **Secondary Teacher – Luniva Secondary School** *June 2024 – Present*  
Teaching subjects including Computer Science. Developed communication skills, confidence, and classroom management abilities.

## POSITIONS OF RESPONSIBILITY

---

- **President – IT & Coding Club, Vedas Hashtag** *2024 – Present*  
Leading and managing a student technical community of under 20 active members. Planned and successfully conducted technical and non-technical events at the college, including coding sessions, workshops, awareness programs, and student engagement activities. Coordinated workshops and guided members in coding, web development, and database concepts while ensuring smooth execution of all.
- **Club Member – IT & Coding Club, Vedas Hashtag** *2022 – 2024*  
Actively participated in coding competitions and technical workshops. Assisted junior students with basic programming and web development concepts.

## SOFT SKILLS & INTERESTS

---

- Problem Solving, Self-learning, Presentation Skills, Adaptability
- Areas of Interest: Web Design & Development, Cloud Security
